

ANTI-SPATTER & NOZZLE CLEANER

- * Surfactants provide excellent wetting & lubricity in torches
- * Protects against spatter build-up & char residue
- * Keeps clean-ups to a minimum
- * Contains no silicone—easily painted over
- * Low pH level inhibits multi-metal corrosion
- * Will not evaporate, keeping lines & nozzles clog-free
- * Contains biocide, providing longer shelf life in warm climates

Precautionary Statements:

Wear protective gloves and eye protection.

Skin – Wash with plenty of soap and water. If skin irritation occurs, get medical attention.

Eyes - Avoid contact with eyes. If in eyes, rinse with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

Take off contaminated clothing and wash before reuse.
